Skating with an ice princess

We're thrilled to share that our Skate Library has rolled away with not one, but two major awards this year! Earlier in the year, we received a **READ Award** from Chinook Arch, and most recently, we were honored with the **Minister's Award for Excellence in Public Library Service** for our innovative Skate Library program. These awards recognize how our library brings the community together in creative ways—on and off the ice! Our skates are sharpened and ready as we kick off another great season. Come celebrate with us at our Skate Night!

Below the camera are a red and white striped popcorn bucket, a blue DVD disc, and a red movie theater drink with a straw. The text 'FAMILY MOVIE MATINEES' is written in large, bold, yellow capital letters. Below this, a paragraph of text describes the monthly movie kits. At the bottom right, it states the availability dates. The word 'DVD' is written in a small yellow box on the disc.
